Elk Grove Youth Baseball Sponsorship Opportunities for 2025

Thank you for your interest in supporting Elk Grove Youth Baseball (EGYB) and the league's 2025 season. For more 75 years, EGYB has earned an impressive reputation for both developing young athletes and preparing our area's youth to succeed in life.

EGYB is the area's most-established baseball program, with a storied past that has built a foundation for countless players who have gone on to play baseball in college, the minors and Major League Baseball. Others have gone on to become doctors, police officers and successful business professionals.

With approximately 750 players and families participating in the league, your support of EGYB will make a big impact throughout the community. It's a win-win for local businesses and organizations who support the league through sponsorships. EGYB is a non-profit organization, so businesses have the opportunity to deduct their sponsorship investment, while directly marketing their products and services to a large audience of families who live, work and play in Elk Grove (and visitors from other communities in Northern California).

We have developed our sponsorship packages to maximize the investment for companies who support EGYB. Additionally, we strongly encourage the families who make up our league to support the businesses that support our league.

Base Hit Sponsorship - \$500

Outfield Billboard – Base Hit Sponsors will receive one billboard advertising your company or organization on the outfield fence at one of Rau Park's three baseball fields. Rau Park serves as the primary facility for EGYB events, hosting roughly 200 games and an estimated 6,000+ spectators during the spring, summer and All-Star seasons. An outfield billboard provides a value-packed opportunity to market your company directly to Elk Grove families and visitors to the community.

Website Ad – As a Base Hit Sponsor, your company's logo will be displayed on the EGYB website homepage with a clickable link to your website (if applicable). EGYB's website serves as the league's hub for information and receives thousands of visitors annually.

Social Media Recognition – As a Base Hit Sponsors, your company will be recognized at least two times on EGYB's social media platforms. Upon securing your sponsorship, EGYB will post welcoming your company as a sponsor and recognizing your support of EGYB. At least one additional post will thank all sponsors at the conclusion of the season. EGYB's Facebook page has more than 650 followers and is growing, and we expect to grow our Twitter presence in 2024.

Email Ad – Base Hit Sponsors will be included in an email sent to all EGYB families prior to the spring season, encouraging them to support our sponsors’ businesses. You will have the opportunity to offer a special discount or package to EGYB families in this email communication.
